

Course Title: Front Loading Shovel (7135)	
Duration: ½ Day	Certification: LASNTG Certification
Expiry Period: 5 Years	Award: Assessment Certificate

Aim of Programme:

The aim of this programme is to provide learners with the skills enabling them to carry out the safety checks and operate the Loading Shovel in a safe manner in the course of their work and in accordance with the operator’s manual and the requirements of the national legislation and guidelines. The scope of the course covers Tractor Front Loaders, Telescopic Handler, Front Loaders (Excluding Construction Work) and Dedicated Front Loaders.

Target Learner:

This training programme is for learners who will have worked with or have experience with Front Loading Shovel. Learners can be a Plant Operative.

Learning Outcomes:

On completion of this programme, the learner will be able to:

- Carry out full pre-start and running checks as required by the manufacturer and complete a site-specific risk assessment
- Demonstrate the safe use / operation of the Loading Shovel when loading a vehicle and operating around the site on site in accordance with the requirements of the legislation and the national guidelines.

Assessment:

There are three site practical exams. The site practical exams will be continuous throughout the programme. The pass standard (100%) is achieved if the learner demonstrates the correct technique for each assessment point. If the pass standard is not achieved the learner must re-sit the entire programme.

Entry requirements:

- Applicants must be able to demonstrate a level of knowledge, skill and competence associated with Level 4 of the NFQ.
- Previous experience in working with plant is essential.
- Applicants must have reached the minimum requirement of a Valid safe pass card or other appropriate Construction safety training.

Documentation/Equipment the learner must bring to course:

- Valid Safe Pass card
- Valid CSCS card
- PPE – hi-vis, safety boots, helmet, ear protection, eye protection
