

Course Title: Health and Safety at Roadworks Refresher (7276)	
Duration: 1 Day	Certification: LASNTG Certification
Expiry Period: 5 Years	Award: Attendance Certificate

Aim of Programme:

The aim of this programme is to provide Health and Safety Refresher training for those working on roadworks including:

- the risks to their own safety from passing traffic as well
- the need to avoid creating dangers to road users
- the need to report concerns to their Employer/Supervisor/CSCS Signing, Lighting and Guarding Cardholder.

Target Learner:

This training programme is for learners who have previously completed the Solas CSCS Health and Safety at Roadworks course. The primary target learner is General Operatives.

Learning Outcomes:

On completion of this programme, the learner will be able to:

- Understand the general principles used in Temporary Traffic Management including the basic principles of Risk Assessment and Control Methods to be implemented for Traffic and Vulnerable Road Users when working on roads.
- Understand the basic principles of Manual Handling.
- Understand the main hazards and controls to be used when working in the vicinity of plant and equipment associated with roadworks and when working with hand and power tools.
- Understand the main hazards and controls to be used when working in excavations and the associated hazards of falls and falling objects.
- Understand the main hazards and controls to be used when working near Underground and Overhead Services.
- Understand the main hazards and controls to be used when working at heights and the associated risk of falling objects.
- Understand the main hazards and controls to be used when Working Close to Water.
- Understand the main hazards and controls to be used when working with Substances, Biological Agents and Asbestos.

Assessment:

There are currently no assessments required to complete this course.

Entry requirements:

- Applicants must be able to demonstrate a level of knowledge, skill and competence associated with Level 4 of the NFQ.
- Must hold a valid Safe Pass.
- Learners must be existing Solas CSCS Health and Safety at Roadworks cardholders.
- Previous experience working on roadworks is desirable.
