

Course Title: Pavement Surface Condition Index - Rural & Urban Flexible (7247)	
Duration: 2 Days	Certification: LASNTG Certification
Expiry Period: 5 Years	Award: Assessment Certificate

Aim of Programme:

The aim of this programme is to provide learners with the knowledge, skills and expertise to carry out a visual road pavement condition rating survey in accordance with the Department of Transport's Rural and Urban Flexible Road Condition Rating Manuals.

Target Learner:

This training programme is for learners who will have worked with or have experience in Pavement Surface Condition Index – Rural and Urban Flexible. Learners can be Technician, Engineer or a Supervisor.

Learning Outcomes:

On completion of this programme, the learner will be able to:

- Understand the condition rating systems that are outlined within the DoT Flexible Road Condition Rating Manuals – Rural and Urban.
- Input Pavement Condition ratings on a data collection device.
- Complete a Desktop Survey.
- Know the basic safety requirements of carrying out a pavement condition rating survey in a safe manner.

Assessment:

There is an online assessment on the Moodle System taken after the Learner completes Unit 1. Learners can only attend Units 2 and 5 after they have achieved a pass standard in the online assessment. The Standard Pass is 70% and the duration is 40 minutes. The online assessment can be repeated by the learner until a pass standard is achieved.

There is also, a theory assessment and has Standard Pass of 70% and this duration is 1 hour.

Entry requirements:

- Applicants must be able to demonstrate a level of knowledge, skill and competence associated with Level 4 of the NFQ.
- Competence in IT Skills (in particular the ability to use apps on a tablet) is necessary.
- Level 5 Qualification or Equivalent.
- Must have a valid driving licence.
- Knowledge of road surface types is beneficial

Equipment the learner must bring to course:

- Tablet device to carry out site practice route survey. Must have GPS. Must be an Android device. Must be 3G enabled. Must be preloaded with App and the Road Network Data to be supplied by the LGMA.
- DoT Rural Flexible Road Condition Rating Manual Rural – soft copy on tablet or hard copy.
- DoT Urban Flexible Road Condition Rating Manual Rural – soft copy on tablet or hard copy.
