

<b>Course Title: Preparing and Responding to a Serious Incident (7210)</b>	
<b>Duration: 1 Day</b>	<b>Certification: LASNTG Certification</b>
<b>Expiry Period: 5 Years</b>	<b>Award: Attendance Certificate</b>

**Aim of Programme:**

To prepare, inform and equip relevant local authority employees to respond appropriately to the various stages of a Serious Incident scenario.

**Target Learner:**

This training programme is to train the participant on how to respond to a Serious Incident Scenario. Learners can be area based supervisory grade local authority personnel including H & S Officers, Director of Services, Line Managers, Engineers, Technicians or Staff Welfare Officers.

**Learning Outcomes:**

On completion of this programme, the learner will be able to:

- Understand the legislative context which is applicable to the management of Serious Incident scenarios.
- Understand their roles and responsibilities should a Serious Incident arise in their workplace.

**Assessment:**

There are current no assessments required to complete the course.

**Entry requirements:**

- Applicants must be able to demonstrate a level of knowledge, skill and competence associated with Level 4 of the NFQ.
- Previous knowledge and experience of dealing with workplace accidents and incidents is desirable. Knowledge of the local authority's serious accident/incident procedures and the relevant parts of the safety management system is desirable.
